

We'll be troubled if we enter the village
in my natural form.

Oh...
That's right.

Anyway, Leafless-

Here??

What age
did those humans from before
appear as to you?

Where...
About that is somewhere around their
twenties, or mid thirties?

20 to 25 years -
They definitely said they've
never seen demons in
their lives

At least 20 years must have passed
since I was sealed

...?

If that much time has flowed since
they were protecting the barrier,
the village now should be stricken
with pests.

Leafless, let's go

Huh.?

Oh...
Right.

I can't remember anything
after that...

Leafless

Oh! I'm going!

Calm down.
Hoyo is just a giant fox
who is cute.
Hoyo is just a giant fox
who is cute.
Hoyo is just a giant fox
who is cute.
Hoyo is just a giant fox
who is cute.
Hoyo is just a giant fox
who is cute.

~~Shut up!~~

But... why does everyone seemed scared and panicked?
